

# NexaTech Solutions - Employee Benefits

NexaTech Solutions | Internal Company Policy

## 1. Health Insurance

Eligible full-time employees are provided access to the company's group health insurance program subject to the terms of the insurance plan.

## 2. Wellness Benefits

Employees may participate in company-sponsored wellness initiatives and programs offered during the year.

## 3. Learning and Development

Employees may request access to approved training courses, technical certifications, and professional development programs.

## 4. Internet Allowance

Eligible employees working under approved remote arrangements may receive an internet allowance subject to company limits.

## 5. Employee Discounts

Employees may receive discounts through selected company partnerships and benefit programs.

## 6. Eligibility

Eligibility for specific benefits may depend on employment status, tenure, and the terms of the relevant benefit program.
